All pricing includes: 4 game set-up fee, all games day ammo, staffing an Annie Oakley, 1 round of skeet per team, and 75 targets per shooter.

4 Person Team Flurry

A 4 person team flurry consists of six machines that will launch 100 targets in 100 seconds. A four person team lines up to break as many as possible. This game can be included on the sporting course during your event. This our most popular side game.

2 Person Team Flurry

A 2 person team flurry consists of three machines that will launch 30 targets in 60 seconds. A two person team lines up to break as many as possible.

Annie Oakley

This is a from of knock out. No more than 10 shooters line up on a field. Starting from the left the first three shooters load one shell. Shooter one calls pull and attempts the target. If shooter one misses, shooter two attempts the target. If shooter two breaks the target then shooter one is eliminated. This keeps going until the last person standing. Annie Oakley format doesn't work for all event formats but makes for a great super-final.

Skeet

A warm-up that consists of 25 targets.
